
Caerphilly Garden Centre & The Palms Restaurant

Friday 9th June 2006

Dear Clive,

Just thought that we would write to say how great your evening of entertainment was last Thursday (1st June). Our guests were very impressed with the slight of hand and magic tricks you demonstrated – the ones you invited up to the stage were also happy [REDACTED]. Plus the comments were that they enjoyed the fact that you told the whole Tommy Cooper 'story' rather than just copying the gags.

Hopefully, we will call on your services again soon for another 'Fezz-tival'.

Many Thanks

B. Lewis
